

Applying for Medicine or Dentistry?

The University Clinical Aptitude Test is an admissions test, used by a consortium of medical and dental schools to help select applicants to their degree programmes. The test is used alongside other selection criteria.

The UCAT is a computer based test sat in Pearson VUE test centres.

For everything you need to know about the UCAT, free preparation resources and past candidate advice:

ucat.ac.uk

**You will need to sit
the UCAT in 2025
for entry to medical
and dental schools
in 2026**
